

STUDENT ACTIVITY

Photography Competition

The Institution of Engineers, Singapore is organising the World Engineers Summit (WES) 2013 themed "Innovative and Sustainable solution to climate Change" on September 9-15, 2013 at Singapore. In this event, they propose to hold Photo Competition (for age group 16-21 years) for students. Jointly organised with The Photographic Society of Singapore (PSS), the WES Biennial Photography Competition 2013 is on the theme "Environmental Sustainability – The Challenges".

"As the world's environment faces daily threats and damage from direct and indirect sources, the challenge is to save and protect our environment for future generations. How will we do that? Capture the essence of the environmental challenges facing the world and what is being done to overcome them. Create an impact. Spread the message. Inspire action."

There will be 2 categories (Youth & Open) and 3 sections (Digital Colour, Digital Monochrome & Digital Experimental) and entry fees are as below:
