ADDENDUM

Based on the questions in the pre-bid meeting on 6 May 14 for the Request for Proposal (RFP) for "BID FOR HOSTING OF CBSE APPLICATIONS" the following are the answers:

- a) Plesk panel is required
- b) VPN connection is required
- c) The solution should be based on the vendor's private cloud for the main site. The DR site shall be over dedicated servers.
- d) In case of disaster the DR site should come up immediately
- e) DR should be connected to the main site over internet
- f) For months with 8 or greater number of servers a dedicated person should be available.
- g) The vendors shared firewall will be used
- h) If required additional servers should be made available within 4 hours of placing the request.
- i) All the web servers will be connected to the database server.
- j) About 1000 records will be added daily on incremental basis, which can be incrementally backed up daily. Weekly full backup will be required including all software components. Last 4 weeks backup needs to be available.

All other details of the tender remain unchanged.
