1. INTRODUCTION

1.1 CBSE ORGANISATION AND OBJECTIVES

The Central Board of Secondary Education (CBSE), a registered society and an autonomous organization under Ministry of Human Resource Development, Government of India, is one among the important National Boards of the country. The main objectives of the Board are to serve the educational Institutions effectively and to be responsive to the educational needs of the students.

1.2 DETAILS OF NUMBER OF CBSE REGIONS AND AFFILIATED SCHOOLS

The Board has approx. 15,500 schools affiliated with it in India and 197 schools spread in 24 countries, falling under the jurisdiction of 10 Regional Offices. The prime focus of the Board is on (a) prescription of suitable curriculum for its various schemes of examination in both academic and vocational streams;

(b) regularly updating the pedagogical skills of the teachers and administrators by conducting in-service training programme and workshops;

c) setting norms for affiliation of institutions for the purpose of public examination; and

d) prescribing as well as updating the course of instructions to raise the academic standards in the country.

1.3 Emphasis on School Based Assessment

The Board has taken various thoughtful initiatives to prepare a comprehensive road map to operationalize and implement the examination reforms of the government in a time bound and effective manner with public interest at focus. One such initiative is the implementation of the School Based Assessment since October 2009 for students in Class IX onwards.

The School Based Assessment program is designed to evaluate each student not based just on the traditional method of external examinations. Restricted to mere marks based assessments, such traditional methods often fails to capture the student's true capabilities and performance abilities. The School Based Assessment is aimed at being a diagnostic tool that allows for a comprehensive evaluation of a student's performance through a period of time and not just restricted to one examination.

1.4 Student's Global Aptitude Index (SGAI)

CBSE SGAI in the present format is a paper and pencil test. There are 100 items including 5 sub tests and interest items to be marked on OMR sheet by the students. SGAI is an optional activity designed for students pursuing Class X in CBSE affiliated schools (India and overseas). Based on individual differences, SGAI assesses Five Aptitudes together with Interest .

However, this assessment is only an indicator or a facilitator to help parents, teachers and students in making academic choices in class XI. The results of SGAI taken together with the student's assessment from other sources should ultimately help students and parents in making informed choices.

1.5 Objective

The objective of the Board in floating this RFP is to further strengthen the School Based Assessment framework through the inclusion of a comprehensive Aptitude Testing that could integrate with the existing School Based Assessment system.

Through this, the CBSE seeks a guidance software, the architecture of which should be designed to do the following;

- Easy to use by students who are not very well accustomed to use of internet and computers
- Is scalable and can be delivered across thousands of schools/students
- Most importantly such a software should integrate to provide significant data to various parties – CBSE, Schools and Students

2. SCOPE OF WORK

The CBSE wishes to engage a Research based organisation having relevant experience of atleast 2 years and capacity to conduct Psychological Assessment specifically in Aptitude Testing for class X and to undertake Student's Global Aptitude Index (SGAI) 5th edition to be held tentatively in Nov. 2014.

Student's Global Aptitude Test (SGAI) administration by CBSE is planned to be conducted in computer based/online format with instant delivery of the SGAI reports to Individual Student . This would help students to make better choices for the selection of their academic areas ahead of Class XI.

2.1 Target Students

The main objective is to provide a Comprehensive Online (Computer based) program to students in class X and contextualize the program to suit the needs and requirements.

2.2 Program Design

The program design should satisfy the following criteria;

- a. The software program should be able to cater to an entire school as an entity .
- b. Assessments or other activities used within the program should be delivered to students in such a way that results should be available for access at any point of time in the future and such data should be stored effectively.
- c. The program should ensure ease of implementation across schools with limited extra effort from teachers or school's in-house counsellors.
- d. The design should allow all students, even those who are not well accustomed to computers and the internet, to operate and use it effectively.
- e. Such a Software should be implementable across many schools at one time and should be able to cater different kinds of schools with varied student background.
- f. The programme must include standardised multiple or meta questions and appropriate online delivery formats for different students in same school or across schools .

- g. The program should ensure sufficient online support to students when they are in the process of the doing the activities.
- h. The agency must ensure and demonstrate dry runs or practice sessions for students prior to actual tests so as to attempt online SGAI without any difficulty in all participating schools
- i. The program should be able to provide the school and the CBSE student wise reports and analysis.
- j. The program should be equipped to handle large volumes of data and results across thousands of students and should be able to draw analytics from the same.

2.3 Equipment required by the Schools

All materials and equipment needed for the delivery of the program should be minimal and communicated to the schools in a clear and concise manner and the bidder should be available for assistance throughout the program tenure.

2.4 Registration Process, Individual Account & Profile creation

There must be a system that registers each student school-wise. School registrations must be organised school-wise, class-wise and section-wise. Each student must be able to create an individual profile. The profiles so created must gather the following details:

1. Full Name
2. School, Class, Section, Date of Birth, Gender, City
3. Expressed Interest (capture 2 Interest areas) upfront before any Assessments
4. There should be a mechanism to accept/input academic marks across subjects in at least 2 term exams. Final class IX (SA II) and SA I class X.

2.5 Assessment – Design

- A. The Assessments used for this Aptitude Program should be contextualised to the needs of the students in class X.
- B. Such Assessments should have been delivered online (Computer Based) and results delivered online – the CBSE may ask for references.
- C. All sections of the assessment must be in English and Hindi.
- D. The Assessments should be suitably categorized into the following criteria – Interest, Personality and Aptitude.

The following design is only suggestive in nature to bring in more accuracy:

- A. **Interest Section** should track core interests of each student. The Interest Section must have the following attributes:

Should be Multiple Choice Questions

- A minimum of 75 Questions should assess at least 15 areas of interests.
- The Interest section must not be a timed test.

- Each question must have an “Explain this” option for better understanding of the question. The explanation should help students understand the question through references and examples.
 - There must be a mechanism that measures the consistency of answers given by the student .
 - If the consistency of the assessment is lower than a permissible threshold, the system must prompt the student to retake the test separately later.
 - The test must measure certain entrepreneurial traits of the students; the measurement of which indicates whether the student is likely to become an entrepreneur or start something of his own in the future.
 - The programme should also include ‘help feature’ in case students can’t understand or get stuck in answering a question.
 - The student must have the option to temporarily exit the test and resume later without having to retake the test.
- B. **Personality Section** should track the core personality traits of each student. The Personality Section must have the following attributes:

Should be Multiple Choice Questions

- A minimum of 85 Questions should assess at least 10 personality traits.
 - These traits should then map to Roles that are part of most industries to provide the student a realistic interpretation of their traits.
 - The Personality section must not be a timed test.
 - There must be a mechanism that measures the consistency of answers given.
 - If the consistency of answers is lower than a permissible threshold the system must prompt the student to retake the test.
 - The programme should also include ‘help feature’ in case students can’t understand or get stuck in answering a question.
 - The student must have the option to temporarily exit the test and resume later without having to retake the test.
- C. **Aptitude Section** should have the following attributes
- The Aptitude Section must be an objective type test.
 - This section should measure at least 8 intelligence areas.
 - Each Intelligence area must be organised separately as sub tests and separately timed.
 - It should be a conceptual, speed and power test.
 - The following areas must be tested as suggested below
 - i. Numerical Ability (min 25 questions)
 - ii. Verbal Reasoning (min 30 questions)
 - iii. Spatial Relations (min 25 questions)
 - iv. Mechanical Reasoning (min 25 questions)
 - v. Abstract Reasoning (min 20 questions)
 - vi. Language Usage (min 20 questions)
 - vii. Vocabulary (min 45 questions)
 - viii. Speed and Accuracy. (min 90 questions)

- The display of questions and the user interface in all the sub tests must be easy for the student to comprehend the question quickly without any loss of time.
- The programme should also include 'help feature' in case students can't understand or get stuck in answering a question.
- On completion of any section the student must have the ability to exit the aptitude section and resume later.

***The total duration of the assessment should not exceed 2-2.30 hrs. The number of questions should be limited to a maximum of 180. This shall be done keeping and mind that the quality and reliability of the overall test is not compromised.**

2.6 Delivery of Assessment Reports

The Assessments should be delivered online (Computer Based).

- a. The format for the Assessments should appeal to the students and should allow both ease of use and excite their Interest.
- b. The language used in such Assessments should be easy to understand.
- c. The Assessment should be designed in such a way that the school or its co-ordinator should be able administer to students with minimal training.

* The bidder would be responsible for handling hardware, software, delivery and overall management of online assessment of SGAI. The bid must include costs of all such components.

2.7 Consideration of term-wise Academic Scores & Integration

- a. The program design should allow a meaningful integration of the academic scores of each student with their interest.
- b. The results of the Interest Section in the Assessments should be mapped to the term marks collected per student in the Registration process.
- c. The system should highlight the subjects that are relevant for each student based on his top Interests. Further it should automatically evaluate his ability to pursue such an Interest based on his academic performance of the relevant subjects.
- d. For students in class X, the academic integration should showcase the most appropriate subject choices for Class XI.

The final recommendation, automatically generated should include the following per student and should give as many data points.

- *Snapshot of top interests, academic range and aptitude scores separately.*
- *The academic range calculated in relevance to the top interest areas.*
- *Automatic subject recommendations based on the above for students in class XI.*

2.8 Manner of delivery & Access

- a. Student Report: A summary report (info-graphics) and a detailed report (PDF) for each individual student must be available online immediately after the assessment.
- b. Study Path: A separate report that covers study path including subjects and courses to each student should be made available based on the results of the assessments. The system would allow the reports to be made available online for access to students once the counselling is completed or as per an agreed process:
 1. The results of the Interest, Personality, Aptitude and the Academic Integration should be 'tied-in' together to deliver a final consolidated report to each student.
 2. For example; the top Interest for a student should be read along with the top Personality traits, his aptitude scores and academic range (post calculation and the final recommendation should cover all the above elements.
- c. In addition to student wise reports, the system should deliver a school wise report covering analysis across the students per school.
- d. The system should also provide CBSE analytics across student sections for all the schools in which the program has been implemented.
 1. Emerging trends in interest
 2. Across boys, girls, region
 3. Analytics on the recommendations for subject groups for X
 4. Analytics on the recommendations for courses and career for XI
 5. Any other analytics that may be useful to the CBSE

2.9 Expected project outcomes and measurability

- a. Specifically, for students in Class X, the recommendation report should include subjects most suited for class XI – such a recommendation should have evolved scientifically from the program.
- b. Each student's recommendation should be carefully recorded and stored for future access.
- c. CBSE will also collect feedback from the schools on the impact of the program.
- d. The program should also provide critical analytics for the CBSE to help plan effective interventions for the future.

2.10 Basic service and upgrade service related clause

- a. All services rendered by the bidder that are in line with this RFP and relates to those mentioned in the Scope of Work shall be called Basic Services. The vendor will quote separately for such basic service per student.
- b. Services that are over and above those mentioned or covered in this RFP would be called Upgradable services.
- c. For better clarity, the bidder will only quote for the Basic services in the RFP and will clearly keep the upgradable services separate.

3. Confidentiality Clause

Any information pertaining to the CBSE or any other agency involved in the project, matters concerning CBSE that comes to the knowledge of the bidder in connection with this contract, will be deemed to be confidential and the contractor will be fully responsible, for the same being kept confidential and held in trust, as also for all consequences of its concerned personnel failing to observe the same. The bidder shall ensure due secrecy of information and data not intended for public distribution. The affidavit to this effect should be submitted along with security deposit.

4. ESSENTIAL QUALIFICATIONS CRITERIA

4. Turn over should be of the bidding agency and not that of the group to which company belongs. Moreover, the turnover refers to a company/bidder and not the composite turnover of its subsidiaries/sister concerns etc. for 2011-12, 2012-13 and 2013 – 14. Attach Audited financial statements of the last 3 years

5. Organisations should enclose Earnest Money Deposit (EMD) of Rs. 1,00,000/- (Rupees one lakh only) along with the technical document. The EMD will be in the form of a Demand Draft drawn in favour of the “Secretary, CBSE” and payable at Delhi.

6. The organisation will have to comply with all the existing rules prevalent in CBSE and Government of India for the purpose.

7. The organization must have office with sufficient permanent professional and administrative staff located in India for day-to-day liaison.

5. Evaluation of Bids:

The evaluation of bids will be based on a **Quality cum Cost Basis (QCBS)**. There will be 70% weightage for the Technical Evaluation and 30% for the Financial Evaluation.

a. Evaluation of the Technical Bid

The Technical Evaluation Committee will examine all of the technical pre-requisites for the conduct of the services. Each Bidder will be awarded a Technical Score (TS) out of 100 marks by the Committee based on the parameters given below in the table:

Criteria for Technical Evaluation			
S. No.	Criteria	Total Marks	Allotment of Marks
1.	Experience in Psychometric testing domain	10 Marks	
	More than 2 years up to 3 years		4
	More than 3 years up to 4 years		6
	More than 4 years up to 5 years		8
	More than 5 years		10

Important: For the purpose of financial evaluation the price quoted for above two lakh candidates will only be considered.

c. Final Evaluation

Method of calculating of the Final Score (FS)

Final Score (FS) = $TS * 0.7 + CS * 0.3$

The bidder with the highest FS will be awarded the final contract.

d. Implementation Schedule

For a smooth roll out of the solution the successful bidder will meet with the CBSE to develop a commonly agreed Implementation Schedule that will comprise a detailed plan showing deliverables and schedules through each phase of the project.

6. CBSE Responsibility

The Central Board of Secondary Education (CBSE) will be responsible for the logistical components.. This will require working very closely with the successful bidder in planning and implementing the total project.

The implementation plan will be finalized between the successful bidder and the CBSE.

The CBSE will inform all schools through Circulars and other relevant notifications regarding the program.

7. Instructions to the Bidders

- a. This document should be read in consonance with any Addendum that may be issued with the RFP. The bidder is required to read the RFP document and the Addendum(s) and would be deemed to be in knowledge of the provisions of both the document and the Addendum(s). No claim of any nature whatsoever shall be entertained in this regard. In case of any conflict between the addendum(s) and the RFP document, the provisions of the RFP document shall prevail for all intents and purposes.
- b. Tenders (non-transferable) would be considered in the prescribed RFP format .
- c. Proposals duly filled-in and supported by all essential documents should be submitted on or before the given time after which no RFPs will be accepted.

7.10. Proposal Validity

Technical and Financial Proposals shall remain valid for a period of 120 days from the date specified for opening of Technical Bid. CBSE, Delhi shall reject the Proposal as being non-responsive if it is valid for a shorter period. In exceptional circumstances, prior to expiry of the original Proposal validity period, CBSE, Delhi may extend the period of validity for a specified additional period. The request and the responses thereto shall be made in writing to or by facsimile on the listed contact information of the Bidders. In such cases, the Bidders shall not be required or permitted to modify the Proposal, but shall be required to extend the validity of the Proposal for the extension period.

8. Evaluation and Selection Criteria

The Evaluation Committee will carry out a detailed evaluation of the Proposals as per section 5 of RFP in order to determine whether the technical aspects are in accordance with the requirements set forth in the Document. In order to reach such a determination, the Evaluation Committee will examine and compare the technical aspects and thoroughness of the proposals on the basis of information provided by the bidder, taking into account the following factors:-

- Overall completeness and compliance with the requirement.
- Proposed work-plan and methodology to demonstrate that the bidder will achieve the performance standards within the time frame described in RFP documents.
- Any other relevant factors, listed in RFP document, or which the CBSE, Delhi deems necessary or prudent to take into consideration.
- The selected bidder may be asked to develop and present Prototype.

8.1 Disqualification or Rejection of RFP

The RFP is liable to be rejected or the bidder be disqualified at any stage on account of the following. If the bid or its submission is not in conformity with the instruction mentioned herein.

- If the bid is not accompanied by the requisite RFP document cost
- If the bid is not accompanied by the requisite EMD.
- If it is not signed with seal, on all the pages of the bid document.
- If it is received after the expiry of due date and time.
- If it is incomplete and required documents are not furnished.
- If it is misleading or false statements/ representations are made as part of pre-qualification requirements
- If found to have a record of poor performance such as having abandoned work, having been inordinately delayed completion and having faced commercial failures etc.

8.2 Forfeiture of EMD (Bid Security)

EMD submitted by the bidder may be forfeited under the following conditions:

- a. If the bid or its submission is not in conformity with the instructions mentioned herein.
- b. If the bidder withdraws the RFP before the expiry of the validity period.
- c. If the bidder violates any of the provisions of the terms and conditions of the RFP.

In the case of a successful bidder, EMD may be forfeited if he fails to:

- accept award of work,
- sign the Contract Agreement with CBSE, Delhi, after acceptance of communication on placement of award,
- furnish performance security, or the bidder violates any of such important conditions of this RFP document or indulges in any such activities as would

jeopardize the interest of CBSE, Delhi. The decision of Chairman CBSE, regarding forfeiture of bid security shall be final and shall not be called upon question under any circumstances.

A default in such a case may involve black-listing of the bidder by CBSE, Delhi

8.3.Compensation for Termination of Contract

If the bidder fails to carry out the award / work order in terms of this document within the stipulated period or any extension thereof, as may be allowed by CBSE, Delhi, without any valid reasons acceptable to it, it may terminate the contract after giving one month notice, and the decision of Chairman CBSE, in the matter shall be final and binding on the bidder. Upon termination of the contract, CBSE, Delhi shall be at liberty to get the work done at the risk and cost of the bidder through any other agency, and to recover from the bidder compensation or damages.

9. Award of Work & Contract

The Chairman, CBSE reserves the right to accept or reject any or all bids-

Notwithstanding anything else contained to contrary in this RFP Document, Chairman, CBSE reserves the right to accept or reject any Bid or to annul the bidding process fully or partially, or modify the same and/or to reject all Bids at any time prior to the award of work, without incurring any liabilities in this regard.

9.1 Notification of Award
